

National Accreditation Board for Testing and Calibration Laboratories

SUSPENSION OF ACCREDITATION (updated on 04-11-2025)

The Suspension status is imposed for a maximum period of six months for the scope of accreditation and if not lifted, then accreditation will be withdrawn.

When a CAB, remains in "Suspended" category for six months and has not met the condition for revoking the suspension status even after six months within valid accreditation then the accreditation will be withdrawn.

SUSPENSION OF ACCREDITATION (updated on 04-11-2025)

The Suspension status is imposed for a maximum period of six months for the scope of accreditation and if not lifted, then accreditation will be withdrawn.

When a CAB, remains in "Suspended" category for six months and has not met the condition for revoking the suspension status even after six months within valid accreditation then the accreditation will be withdrawn.

National Accreditation Board for Testing and Calibration Laboratories

SUSPENSION OF ACCREDITATION (updated on 04-11-2025)

The Suspension status is imposed for a maximum period of six months for the scope of accreditation and if not lifted, then accreditation will be withdrawn.

When a CAB, remains in "Suspended" category for six months and has not met the condition for revoking the suspension status even after six months within valid accreditation then the accreditation will be withdrawn.
