

Precautionary measures from NABL in response to COVID-19 Pandemic

NABL is committed towards the safety and wellbeing of its stakeholders and is taking the following precautionary measures in view of the significant health risks posed by the Coronavirus (COVID-19):

- NABL has postponed all scheduled events including Assessor training programs and Conclaves which require mass gatherings.
- Presently NABL is scheduling assessments in which it is possible to depute only local Assessors.
- Assessors and CABs are advised to follow all elements of standard precautions that is consistent with recommendations of Center for Disease Control and Prevention (CDC).
- Assessors and CABs are requested to continue with any prescheduled assessments (if mutually agreed, based on logistic arrangements). However if CABs or Assessors have any concerns at any point of time, before or during the Assessment, kindly contact NABL.
- NABL is not conducting any assessment that requires International travel.

As circumstances are changing rapidly, NABL is closely monitoring the situation and will keep stakeholders posted on NABL policy decisions in this regard.
